1. [redacted] Comment. The cold-storage house for meat and sausage is located in Erfurt-Ost and the main food ration supply depot of the Eighth Gds Army in Erfurt-Marbach.

25X1A

2. [redacted] Comment. The total volume of food ration supply delivered to units of the Eighth Army Gds by the depot and the cold-storage house amounted to 160 carloads in June 1953, 160 carloads in July and 163 carloads in August. It shows that the volume of outgoing shipments, compared with that during the preceding months, decreased by about 15 percent.
